

Hello, my name is Lindsey Record. My husband and I have lived in The Village section of Forest Oaks for a little over five years now. I grew up in Bastrop, Texas and came to Austin to attend college. I have a BA in Economics from the University of Texas and a MBA in Corporate Finance from St. Edward's University. My husband was raised in Cedar Park and introduced me to this area when we were looking for a home. We were very lucky to find the perfect home in this neighborhood.

I am currently a Financial Analyst for a local Austin credit union, responsible for managing a diverse investment portfolio and executing real estate hedging. In recent years I have volunteered my time with Habitat for Humanity, Girl Scouts of Central Texas, and St. Vincent de Paul. My professional experience in the financial industry will hopefully bring an additional view on how to better our community.

I would be honored to serve on the board and assist in continuing build upon this wonderful community.
